HOUSE OF REPRESENTATIVES

The Honorable Kay Granger
Chairwoman
Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting community project funding for the Nevada Department of Transportation's US-95 pavement preservation and safety improvements south of I-11 in fiscal year 2024. The entity to receive funding for this project is the Nevada Department of Transportation, located at 1263 South Stewart Street., Carson City, NV 89712.

The funding would be used to provide protections for endangered tortoises, make hydraulic improvements to ensure a resilience stormwater system, preserve bridge infrastructure, and enhance safety measures to prevent crashes to opposing traffic.

The project is an appropriate use of taxpayer funds because it will protect endangered species unique to this area, enhance long-term infrastructure resiliency, and improve commuter safety with proven countermeasures.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 U.S.C. § 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Dina Titus".
